Introduction

In this game you are a heroic Jet pilot. Playing through a number of missions against hostile fighters in the hottest areas of the world.
You guide your plane with numerous evolutions to destroy the enemy planes flying over the level areas.
You can use 2 different weapons, each one has a different behaviour and power, you can choose between gun fire and missiles.
Avoid the enemies missiles going as far as possible from incoming missiles when a red circle is on your plane and an alarm advises you are locked.
Opponents coming in and out from the top of the level. Enemy formations change all the time to confuse you and increase the game difficulty!
Be careful and watch the enemies type of aircraft! Each plane has a different weapon and different power!
During the flight always pay attention to air floating icons, you must collect them to recharge fuel, bullets and missiles or gain precious points.
